-A: Light, harmonic

Complicated Creation Chords by Cloud Cult

[Verse 1]

N.C. D

I called up the moon for a little consultation

N.C. Bb

Yes, you know that ~~I'm a happy man~~, but something ~~in~~ ^{*I am happy} me is burning ^{*within}

N.C. F

Gotta push it, push it out, push it, push it out, push it out

N.C. C A

So much frustration (Hey hey hey!)

[Verse 2]

D

The moon called me back and said, "I'll give you some advice:

Bb

You gotta live a little lighter, gotta breathe a little deeper

F

Gotta suck it, suck it in, suck it, suck it in, suck it in

C

A*

There's your medication."

[Instrumental Break]

D Bb F C

(Oh, oh, oh!)

[Verse 3]

D

If you pray to God for rain, don't you complain about the lightning

Bb

If you're asking for directions, don't you moan about the distance

F

Must you lose it, lose it all, lose it, lose it all, lose it all

C

A*

To find your appreciation

[Verse 4]

D

If you rid of all your baggage, you will likely float away

Bb

But you can't know beauty if you don't know pain

F

Gotta feel it, feel it all, feel it, feel it all, feel it all

C

A*

There's your meditation

[Instrumental Break]

D Bb F C (X2)

D Bb F C

(Yeah, yeah)

D Bb F C A*

(Hey!) (X32)

[Verse 5]

D

You know you are as small as the things you let annoy you

Bb

And you know you are gigantic as the things that you adore

F

Some days you give thanks, some days you give the finger

C

A*

It's a complicated creation
